VISIONS, INC. LENDS SUPPORT TO TROOPS OVERSEAS

MINNEAPOLIS-ST. PAUL, MN – Leveraging expertise in personalized communication, **Visions, Inc.** lends a hand to **Xerox's Let's Say Thanks Program**.

The mission of the program is to provide a way for individuals across the country to recognize U.S. troops stationed overseas. By submitting a message through the Xerox website, proud citizens can send a free personalized postcard or greeting card to a deployed serviceman or woman.

Postcards, designed by children aged 6-14 are available here: www.letsaythanks.com. To date, more than 25 million people have sent well-wishes to the troops.

"We are proud to jump start the new year by doing our part to support the men and women of the armed services," said Rick Hansen, President, Visions.

The military support organization **Give2TheTroops**, will include the cards in care packages sent to forces in Iraq, Afghanistan and elsewhere. For more information on Give2TheTroops, visit www.give2thetroops.org.

"The support for the "Let's Say Thanks" Program has been tremendous – from the public and our partners like Visions," said Gavin Jordan-Smith, Vice President, Xerox Premiere Partners Global Network. "As a Xerox Premier Partner, Visions' effort goes a long way toward demonstrating that there is more to our partnership than doing business together – there's support for our communities as well."

The success of the program is summarized by the following Gunnery Sergeant's response:

"I would like to take this opportunity to say thank you from myself and my fellow Marines. Your packages and well wishes have lifted our spirits at a time when we are so far away from our friends and family. I wish you could have seen the bright eyed looks and utter excitement from the Marines when opening the boxes. It was a true blessing that you made happen. It makes us proud to know that our fellow Americans care as much as we do. It makes the sacrifices we and our families make worth every minute we spend here. We Americans can stand shoulder to shoulder in unison on one thing – we're all proud of our country and we're all proud of each other. The effort you make on behalf of the troops is just as important as the work we are doing here and around the world."
